
Introduced by Senator Chesbro

January 27, 2005

An act to amend Section 23661.2 of the Business and Professions Code, relating to alcoholic beverages.

LEGISLATIVE COUNSEL'S DIGEST

SB 118, as introduced, Chesbro. Alcoholic beverages: licenses and fees.

The Alcoholic Beverage Control Act imposes upon the Department of Alcoholic Beverage Control the responsibility to administer and enforce state laws with respect to alcoholic beverages, including the implementation of alcoholic beverage licensing. Among other things, the act authorizes any unlicensed adult resident of this state to apply to the department and be issued a permit to receive a shipment of wine from any state that allows adult residents of that state to receive shipments of wine from this state, as provided.

This bill would make technical, nonsubstantive changes to those provisions.
